Well, we're gone. The infamous bell has rung its final farewell to the class of 1995. Just think, no more Channel 1, no more big yellow busses, no more endless walks from the parking lot, and yes, no more Dan Putnam's Dance Parties. MHS as we know it is history.

... though gone, we will certainly never be forgotten. The class of '95 may someday be labeled the "experimental class." We were the class of countless firsts and lasts. We were the first class to take the new SAT's, the first to have our fashion show sophomore year, the first to experience the all-knowing and all-powerful TI-82, and we were the first freshman to have eighth graders at the High School ...

Although we have experienced some changes in our four years, we seem to have dodged some big bullets as well. We will be the last class to have regular six day schedules, early release days, activity periods, and senior privileges. Wow! We definitely knew when to leave.

The memories we shared will never be forgotten, whether they were in school or out, on the playing field or in the classroom. We all have our own individual and personal memories. So what exactly will we remember most about our high school years? That's for each to decide. Will it be the girls soccer team's first ever victorious run for the state championship or our Junior Prom? Or will it be our senior banquet? Maybe you'll remember Daggett and Tierney making us laugh every morning or just Stew's Crew in general. Perhaps you will recall how we all experienced a rude awakening to Hitler's insanity as we watched "Schindlers List" as a class. Or maybe you'll remember none of these, maybe, just maybe, all you'll be able to remember about high school is your quick witted and good-looking class president. Yeah, that's it! Or maybe not.

Outside of our own utopian world at MHS, news was being made at what seemed to be a frantic pace. We were brought up to believe Bush's claim of "No new taxes" and also Clinton's account of not inhaling. We watched supportively during Desert Storm and the battles with the third world countries of Bosnia and Somalia. Also, the terrifying reality of terrorism at it's worst as the Oklahoma Federal building was obliterated to nothing more than dirt and rubble. And of course the never ending trial of *The people v. O.J. Simpson*. As our parent's generation can recall where they were when JFK was shot, so shall we be able to recall where we were when O.J. sped off in his white Bronco.

Yet, now that it's all said and done and we've had time to remember the days when we considered the beautiful red bricked building of MHS our home away from home, remember your high school years as neither good nor bad. Think of them as the end of an old chapter and the beginning of a new. So smile, MHS, for your accomplishments are worthy of praise.

Dedications

Mr. Thomas Downey

Mr. Richard Gardner

Mr. Downey: some know him as the guy who hands out passes, to some he's a coach, to all he's a friend, a great guy. His outgoing personality has made him well-liked at MHS. He always has time for everyone and is definitely a part of MHS life. Whether he's at the office, Stew's, or at extracurricular activities, he sets a good example for all of us. He will be missed greatly by the graduating class, but will always be remembered.

Some call Mr. Gardner the best teacher they ever had, while others simply know him as the "guy who unlocks the coke machine." No matter what you call him, he'll always be the short, funny guy in the English department who honestly and often humorously relates anecdotes from his class work (without digressing of course). In other classes we often ask "Will we ever use this later in life?" but with Gardner we ask "will we ever NOT use this?" Through his stories, jokes, lessons, and creative encouragement, he made English more than just a five paragraph essay. As our older siblings raved about Gardener and his tales, we too will continue the legacy of the G-man. Above all, we'll NEVER take wooden nickels. Thanks Gardner.

Mrs. Linda Stone

"But if in your thought you must measure time into seasons, let each season encircle all other seasons,

And let today embrace the past with remembrance and the future with longing."
-from the Prophet by Kahlil Gibran

I have enjoyed working with many of you during these past four years, and I wish you success in all your

future endeavors. Remember that high school is merely your first step toward the fulfillment of your dreams. I hope that you will always be able to look upon your high school years with fondness and look toward your future with great anticipation. Best of luck to all of you!

Cross Country is a sport that requires extreme motivation, determination and dedication. What a runner puts into the sport is exactly what she gets out of it. That pride, dedication and determination is evident in a few shining M.H.S. XC members. Kate Davis, first year and first place runner on the team, was voted to the ACL All Star Team. Sara Sechovicz also had an outstanding season on a state-wide level as a freshman. These two runners both placed in the top 10 of the ACL League Meet.

Led by captains Janelle Hugues and Amanda Tozzi, the team received the ACL Sportsmanship Award for the second year in a row. Fifth in a highly competitive league, the team put in a great deal of work and was rightfully rewarded with victory. Cross Country at M.H.S. is like a family.

The ability to work through the pain of forcing oneself to an extreme threshold and to want more is an essential trait in the Cross Country runner. If you have the desire, as these M.H.S. runners did, you will succeed at Cross Country: the ultimate test of the human mind and body. -Amanda Tozzi

Boy's Soccer

For every athlete there is a moment, a point in time when nothing can stop him. A moment that will live forever in his memory. The moment comes slowly and seems to slip away too quickly. During those long, hot days of August, or on one of the crisp, blustery days of September, through to the beautiful, cloudless days of October, every player had his moment to breathe deeply the air of Olympus, a moment embedded forever in his heart. Though the season did not work the magic that we dreamed, we, as a team, lived our moments.

Breaking old traditions once again, the 1994 MHS girls soccer squad did something that has never been done before in the history of MHS girls soccer - won a state title. Over the years, the girls soccer team has had seasons where they have only won one game to the 1994 season where they only lost one game. The 140 hours of practice time put in by the team in the 1994 season is definitely a factor. The leadership of captains Barrett, Alissa Fish, and Michelle Dam was another factor in the success of the squad. Instrumental to the team's winning season was the key player Marcy Curtis. Curtis, a sophomore, had a goals against average of 0.11, allowing only five goals over the entire season. All in all, the team was stacked with superstars. 91 goals were scored by 19 different players. The Rams finished second in the ACL to Duxbury by a mere two points. The Rams qualified for tournament play and defeated Fontbonne, Notre Dame, and Falmouth. Then came the dreaded duel with Newton North. Revenge was sweet and shoot-out goals by Tyla Brennan and Kristi Robicheau won Marshfield the win. Next they battled Number two ranked in the conference Winchester, and a goal by Jamie Fitzgerald in sudden death sent them to the state final. The road was a long one but it was completed when the Rams defeated Nashoba Regional 2-1 on goals from Siobhan Morris and Alissa Fish thus becoming the champions of Massachusetts. The Rams succeeded in shutting out four teams that had never been shut out by Duxbury, Falmouth, Newton North, and Winchester. They are the first MHS girls soccer team to earn a state title and their achievement will never be forgotten.

Capturing The Championship

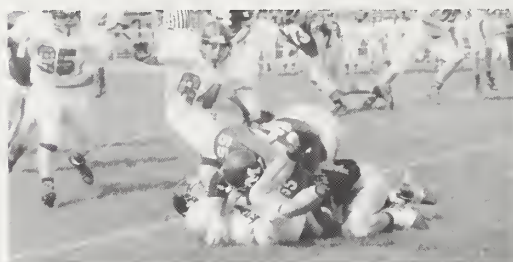

Football

The 1994 Marshfield Rams were led by Tri-Captains John Picard, Jason Graf, and Ben Cabral. Going into the Thanksgiving game, the Rams had a disappointing 1-6 ACL record. Offensively the Rams were led by sophomore quarterback Mike Marino, sophomore half-back Matt Kalapinski, junior wide-out Brian Caswell, senior tight-end Steve Leary, and senior tailback Jason Graf. Defensive standouts include Matt Gaughn, Matt Cushman, Jimmy Jordan at the defensive line, Ben Cabral and Chris Susi as linebackers, and Jason Graf, Chris Gonsalves, and Matt Kakapinski in the secondary. Throughout the season, the Rams were decimated by injuries. The loss of John Picard, Joe Boomer, Rob Studley, Greg Chiasson, Aaron Coon, and Matt Generous hurt the team's chemistry. The decisive moment in the season came when Coach Silva delivered an emotional speech at the Plymouth North game.

Field Hockey

The field hockey team finally had their chance to shine this season. Being one win away from the state tournament and improving their record to 8-9-1, appeared unattainable goals last season. However, this year through their hard work and team spirit, both were accomplished. Although their record still does not technically denote a "winning" season, their true success was exhibited through the overall improvements, enthusiasm, and dedication of every player. The team would like to thank our coach, Carol Anderson, and the old and new fans who supported the team this season. Finally, the team would especially like to acknowledge its senior players: Christine Francis, Jennifer Mahoney, Carey Howe, and the Co-Captains: Jessica Arsensult and Heather Belmosto. You will all truly be missed and good luck in all of your future endeavors.

Back Row: (L to R) Coach Carol Anderson, Angelee Russ, Susan Joyal, Colleen Gibbons, Rebecca Summers, Erin Christiansen, Kate Pescatore, Jill Ashton, Lisa Tingley, Melissa Black, Kristi Ristuccia, Kristen Regele. Front Row: (L to R) Cary Howe, Christine Francis, Heather Belmosto (captain), Jessica Arsensult (captain), Jennifer Mahoney, Julie Mahoney

Wrestling

Once again the Marshfield High Wrestling team has had another successful season. Led by senior co-captains Matt Pomella and Sean Robinson the team had several strong members in all classes. Their dedication and hardwork paid off with an unforgettable season.

Back Row: (L-R) Dan Putnam, Bob St. Peter, Matt Wilcox, Jarrod Kwiatkowski, Adam Pomella, Jim Danforth, Brian Harty, Tony Marino, Ryan Olsen, Coach Kenney. Front Row: Eric Goodwin, Greg West, Sean Robinson (Captain), Matt Pomella (Captain), Andy Taylor, Andrew Haney.

Front Row (standing): Kara Stokes, Erika Hoehn, Coach Marion Cherubini, Jessica Arsenault, Caryl Tarantino. Second Row: Kate Southworth, Danielle Govoni, Jayme Fitzgerald, Sarah Ferrulle, Shilo Randall, Meg McGinn, Allison Rofo, Sara Garland, Alicia Barker, Lauren Bergin, Kristen Mansen, Kristen Scott, Kate Biviano, Liz Madden.

The 94-95 MHS gymnastics team had a truly wonderful season with an overall record of 10 wins and 3 losses and a team average of 122.4. Marshfield proved to be a team to watch. The team qualified for the South Sectionals and seeded 8th in the section.

The team is still young and growing. They were led by sophomore stars Alicia Barker, Jayme Fitzgerald, and Meg McGinn.

At the ACL League meet, Jayme Fitzgerald placed 6th in the All Around. She also won vault with an 8.7. Sara Ferrulle placed third on vault and Kristen Mansen placed fifth on vault. Alicia Barker placed second on bars and also placed second on beam and floor. The team also earned the sportsman award.

Recognition must go to the great group of seniors who helped to build this team and worked to make this year a reality.

The Marshfield High School Gymnastics team looks to have a bright future as it continues to grow and build to become a force to be reckoned with.

Thank you Seniors Erika Hoehn, Jessica Arsenault, Kara Stokes and Caryl Tarantino and best wishes for a happy and successful future.

Ice Hockey

another great season ... 16-5-1 and a second place finish in the Atlantic Coast League. This year was the Rams fourth straight state tournament appearance. The team was lead by captains Travis Ford and Marcus Willy. This year's seniors were Jake Blondin, Travis Ford, Terence Grigg, and Chris Susi and they each played an excellent season thanks to coaches Crowley, McSweeney, and MacDonald. The team had some big wins this year including the win over Hingham with Brian Mullen's penalty shot and the come back victory over Rockland to qualify for Tourney. Goalie Jon Kadish had ten straight wins after being called up from the J.V. team, including the big victory over Triton in the tournament. This year's Atlantic League All-Stars were Evan Crockford and Jeremiah Bonham. honorable mention went to Brian Hartigan, Marcus Willy, and Chris Susi. Quincy Patriot Ledger All-Scholastics were Marcus Willy and Evan Crockford. The sportsmanship award went to Jake Blondin.

Girls Basketball

The Marshfield High School Girls Basketball team finished another season of hard work and dedication. Led by senior tri-captains Julie Mahoney, Jennifer Mahoney, and Renee Gilarde, the Rams finished with a record of 6-14. The second half of the season was definitely the stronger half, and the number of wins and losses does not represent their effort and determination. Seven of the ten will be returning next year to carry on the skill team.

Back Row: Coach Emerson, Marcy Curtis, Linda Leahy, Linda Nicholson, Christine Sullivan, Susan Tingley, Susan Joyal. Front Row: Kate Pescata, Julie Mahoney (Captain), Renee Gilarde (Captain), Jennifer Mahoney (Captain), Colleen Gibbons.

Boys Basketball

The 1994-1995 Boys Basketball season, under new head coach Paul Wholey, and assistant coach Ron Jamieson, finished with a 6-14 record. The number of wins and losses does not indicate the hardwork and determination demonstrated by this year's team. The team was lead by senior co-captain Kevin DuRoss and Junior co-captain Chris "Sta-bone" Carr.

This year was a building year for the Rams, as the Varsity team will have nine of their top eleven players returning next season. Seniors Kevin DuRoss and Matt Conroy will be pursuing their careers elsewhere. Good Luck!

Softball

The 1995 Lady Rams got off to a slow start (2-4) in the first part of the season, but with hard work, enthusiasm, and determination they turned the season around and finished with a record of 11 wins, 7 losses, and qualified for the State Softball Tournament. Led by seniors Sarah Morrell, Jamie Parsons, Heather Belmosto, Renee Gilarde, Kristine Doherty, Alicia Tribiano, and Julie Honey who set the pace to get back on the winning track.

Rugby

MASS State Champions

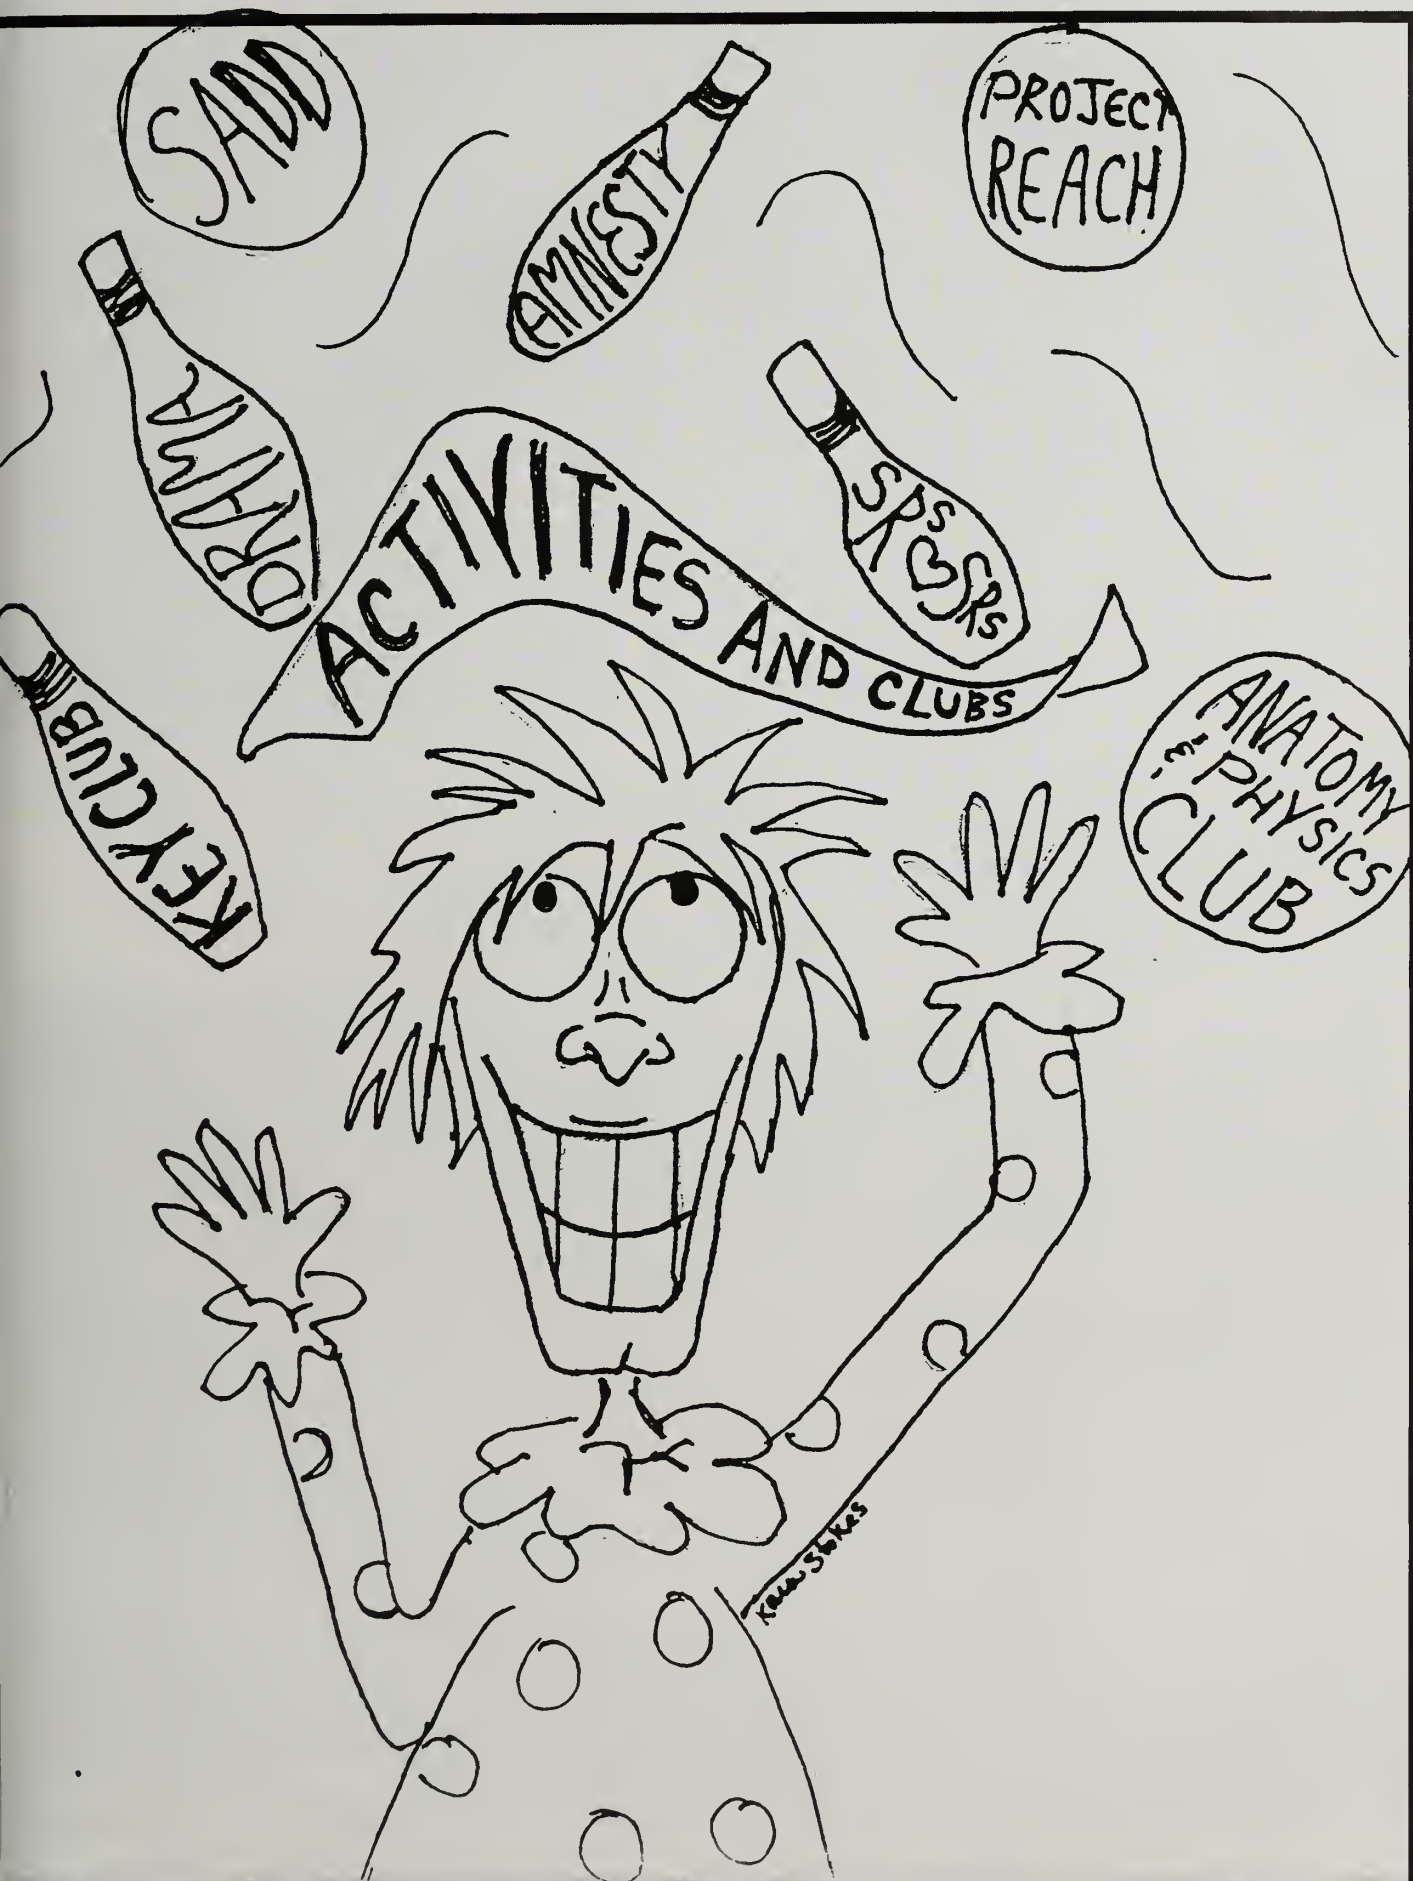

The 1995 season for the MHS Rugby Club was the most successful in the club's 14 year history. In regular league matches, the club posted a 6-2 record. This record qualified Marshfield to represent New England, along with Greenwich, at the Eastern U.S. Championship Tournament at Doylestown, PA. Other accomplishments of the season included winning N.E. Seven-A-Side Tournament and winning the Massachusetts State Championship Tournament. And at the 12 team N.E. High School Tournament, Marshfield finished with a respectable third place tie. Our seniors: Jim Pechilis, Mike James, Greg West (captain), Ben Cabral (captain), Joe Boomer, Fred Dix (captain), Leo Reardon, Matt Pomella, Eric Johnson, and Andy Taylor will be greatly missed.
